### March 2-3, 2021: Wi-Fi NOW Special Event: 6 GHz for Brazil

Provisional event program [times are approximate and BRT]

#### Day 1: Tuesday, March 2, 2021

##### **Part 1: Regulatory keynotes & the 6 GHz technology vision**

- |             |   |
|-------------|---|
| 10:00-10:05 | <b>Welcome the 6 GHz Wi-Fi for Brazil 2021 Special Event</b><br>Claus Hetting, CEO & Chairman, Wi-Fi NOW                      |
| 10:05-10:20 | <b>Regulatory Keynote by the FCC</b><br>Umair Javed, Chief Counsel<br>- for Jessica Rosenworcel, Acting Chairwoman of the FCC |
| 10:20-10:35 | <b>Regulatory Keynote by Anatel, Brazil</b><br>Emmanoel Campelo de Souza, Commissioner & VP, Anatel                           |
| 10:35-10:50 | <b>A Wi-Fi technology vision for the 6 GHz band</b><br>Carlos Cordeiro, Wireless CTO, Intel                                   |
| 10:50-11:05 | <b>Wi-Fi 6E: Driving growth, new use cases, &amp; industry</b><br>Matthew MacPherson, Wireless CTO, Cisco                     |
| 11:05-11:20 | <b>Devices for next generation connectivity</b><br>Ravi Ichapurapu, Senior Wireless Engineer, Amazon                          |

##### **Part 2: Spectrum regulation & coexistence**

- |             |   |
|-------------|---|
| 11:20-11:35 | <b>Presentation by Subtel, Chile</b><br>Pamela Gidi, Vice Minister of Telecommunications, Chile             |
| 11:35-11:50 | <b>6 GHz Wi-Fi regulation from across the world</b><br>Alex Roytblat, VP Regulatory Affairs, Wi-Fi Alliance |
| 11:50-12:05 | <b>Latin American spectrum regulation in 6 GHz</b><br>Martha Suarez, President of Dynamic Spectrum Alliance |
| 12:05-12:30 | <b>Q&amp;A Panel &amp; concluding remarks</b><br>Speakers TBA   |

## 6 GHz Wi-Fi for Brazil

Tuesday & Wednesday, March 2-3, 2021
